Ms. Chin,

Thank you for our conversation last Wednesday about a possible meeting to discuss UIC/aquifer exemption issues. Would a meeting in Denver on Friday morning, October 12, work for your team? If so, I will ask Janie Nelson at the WOGCC if that time works for her participation by telephone.

Thanks again,
Walter

That can happen. Do you know where it is? And what the yield is?

It's actually not. It's very deep - about 14,400ft there.

Ms. Chin,

Thank you for our conversation last Wednesday about a possible meeting to discuss UIC/aquifer exemption issues. Would a meeting in Denver on Friday morning, October 12,

work for your team? If so, I will ask Janie Nelson at the WOGCC if that time works for her participation by telephone.

Thanks again,
Walter
